Tableau Consulting & Implementation Services

Dear Sir,

Corporate Renaissance Group pleased to offer our formal proposal, to help you succeed with Tableau Software. Please find the commercial proposal for our Services Offering.

We look forward to begin working with you soon. Our endeavor in this engagement would be to ensure your business needs are met. We take this opportunity to extend our heartfelt thanks for reposing confidence in us, so that we can recommend a strategy of execution with the right solutions and methodology.

We look forward to working closely with you for a long term and adding value to your business through technology on a continuous basis. We consider this as a beginning of a long Term relationship.

Best Regards,

Himanshu Sethi

Better Visual Intelligence

Company Profile

Founded in 1989, Corporate Renaissance Group (CRG) is a global provider of innovative solutions and services that drive better business management and performance. With expertise in corporate finance, competitive analysis, knowledge creation, and software development, CRG offers our clients a competitive edge by enabling the cost-effective and efficient transformation of enterprise data and knowledge into business-critical information.

CRG has been a Microsoft Dynamics GP Value Added Reseller for over 15 years. We have implemented solutions successfully in large and small organizations. We also have one of the best qualified team of professionals; each member is trained, certified and experienced. Our dedication to training and our commitment to clients has earned us the Microsoft Gold Partner status. Within the Microsoft Dynamics GP space, we have earned the President's Club status 5 of the last 6 years for sales and service, recognizing the top 5% of all partners around the world. In Canada, we are part of the Microsoft Excellence program, an award for partners that have breadth across multiple Microsoft competencies/solutions. Our portfolio of solutions includes Microsoft Dynamics GP, Dynamics CRM, SharePoint, Business Intelligence, SQL Server/Reporting Services, development of 3rd party applications and more. Some of our 3rd party solutions for Dynamics GP have been independently tested and certified to be part of the global testing process known as, Certified for Microsoft Dynamics GP (CfMD).

CRG is a Tableau Partner for 4 years. We have worked extensively with Tableau in South Africa&India& include significant capabilities which we can bring to bear. We are proud of our exceptional commitment to quality and draw upon years of experience in delivering value-added solutions and services to both the private and public sectors.

From offices in Canada and the United States, South Africa and India, and through alliances around the world, CRG provides global solutions to global challenges. Our sophisticated, high performance software products and services, together with our unparalleled management expertise, enable our clients to become performance-focused organizations. Our software products are sold directly and are also available through a global network of more than 600 strategic partners.
